Large Pocket Knives | 130 mm Ranger

A COLLECTORS ITEM FOR WINE CONNOISSEUR

Like fine wines, great design takes great expertise to perfect. Raise a glass to the Wine Master Damast Limited Edition. Crafted from oak that's been smoked to produce a deep, warm tone, the scales each have their own unique patina, echoing the wood used in traditional wine barrels. These are elegantly offset by the sturdy blade, honed from

exquisite damast steel, to give optimal cutting performance. A silver Cross & Shield releases the locking blade in this breathtaking piece of design. The fact that each knife is one of just 6000 produced worldwide makes this a truly covetable item for the collector and the wine connoisseur.
